

Dear Alan,

Just a letter of thanks, for the wonderful loft room, you done for me. From start to finish, your company and your employees were polite, hard working. Even though it was a small job compared to the service you offer, it was still not treated any different.

At first, I was not sure, but I was reassured by yourself without any pressure, that it would be an addition to my bungalow. My girls absolutely love it and ~~now~~ now I don't know why I worried. You kept me informed as to when the workmen would be coming and the job went like clockwork.

At the end of the job, all rubbish was cleared.

So once again, thank you to you and your staff for providing such a wonderful service and a great job.

I would totally recommend your company to anyone considering conversions of any kind.

Thank you once again.

Yours sincerely  
Sue Walker.
